Task Interface

Answer Format

Multiple-choices, **Free-form**, **Structured output** (JSON).

Interaction Mode

Single-turn or **Multi-turn**. Errors can accumulate in multi-turn.

Knowledge Access

Closed-Book

No external resources allowed. Relies solely on prompt info or internal parametric knowledge.

Open-Book

External permitted.

- **Fixed Context** Limited data
- **RAG** Using a fixed external
- **Live Context** Dynamic web browsing or DB

Tooling and Environment

Tool Invocation

Calling APIs, functions, search tools. Focus on **accurate calls and parameters**.

Interactive Environment

Executable code sandbox, Web/GUI, or OS. Requires **decision-making**.

Constraints and Controls

Budget Limits

Maximum steps, turns, tool calls, and computational time.

Robustness Controls

Maximum steps, turns, tool calls, and computational time.
